

NO-DIG ROADSHOW

BELFAST – Ramada Hotel – Tuesday 1 April

DUBLIN – Ballsbridge Court Hotel – Thursday 3 April

2008

NO-DIG ROADSHOW

The NO-DIG Road Show is a series of one day events, comprising an exhibition and seminar programme focussing on trenchless technology.

Seminar: Compiled by the United Kingdom Society for Trenchless Technology (UKSTT), the presentations provide delegates with an opportunity to hear a selection of papers designed to give an insight into the latest technology and techniques in trenchless technology.

Exhibition: The trade show stands are an integral part of the day, providing visitors and seminar delegates with an opportunity to meet key suppliers to the industry. The seminar programme is carefully structured to allow delegates ample time to visit the stands and all catering arrangements will be situated within or adjacent to the exhibition area. Entrance to the exhibition is free of charge.
